The Grammar School of Today

Our Vision

To pioneer a grammar school education that equips the visionaries of tomorrow

Our Floydian Values

01 **We build resilience…** Bouncing back takes courage. We develop resolute mindsets and foster a willingness to take calculated risks, without fear of failure.

02 **We encourage reciprocity…** There is strength in the pack. We champion the exchange of wisdom and guidance between all community members, to ensure we grow individually and as a collective.

03 **We grow resourcefulness…** Deeper roots; greater fruits. We motivate ourselves to investigate every resource and inspiration available to us in our pursuit of fresh knowledge.

04 **We nurture reflection…** Thinking back is moving forwards. We invite all Floydians to be mindful and self-aware, and to continually adapt our practice, balancing the pursuit of excellence and wellbeing.

05 **We treasure respect…** The little things that go a long way. We expect everyone to be courteous and kind at all times, and to appreciate and celebrate the differences that make us unique.
